MEGA ACTIVE TIC-TAC-TOE

Players - Any number!
Equipment - 9 flat objects (Books/
Mats) & 6 socks (2 colours equally)
Space - Anywhere, any size!

1. Create a 3x3 grid using the 9 objects where they are evenly spaced out; start with 1 metre apart.
2. Players at the start line, 10 strides from the grid, with 3 socks each. All 3 socks need to be the same colour.
3. Youngest player (1) goes first by running to the grid and placing one of their socks on an object. On return, player 2 does the same but on a different object. Process continues until all socks are down.
4. Once all down, players must move 1 sock each turn, returning to the start each go, trying to get 3 socks in a line on the grid either up, across or diagonally.
5. Player to get 3 in a line first wins 1 point; reset each round and first to 3 points is the winner!

GAME BOOSTS

Increase or decrease: size of the grid, distance from the grid or points needed!
Do it in teams if there are enough players!
Play a singles tournament format!
Set time limit for each turn; start with 20 seconds!
