MEGA ACTIV COOKIE MONSTER

www.primarystars.co.uk

Players - Anyone who's hungry!
Equipment - Lots of small objects!
Space - Anywhere, any size!

1. Establish a square playing area & spread the objects (cookies) equally in the area. Players stand on the outside of the area and choose a cookie base.
2. Players will need to retrieve objects at the same time however, they must avoid the Cookie Monster (player).
3. When a cookie is retrieved, players take it to their base & then they can retrieve their next cookie. If they're caught by the Cookie Monster in the area, they must put the cookie back, go back to the base and then try again.
4. Cookies are only safe if they are in your cookie base. The Cookie Monster starts the game in the centre of the area and shouts 'C'MON COOKIE CATCHERS'
5. The player with the most cookies in their base when the area is empty is the winner!
