MEGA ACTIV GUARD THE PIN

www.primarystars.co.uk

Players - Any number!
Equipment - 1 tall object, 1 soft object you can throw and a timer!
Space - Anywhere, any size!

1. Place the tall object (Pin) in the centre of the playing area! 1 player (Guard) is in charge of protecting the pin!
2. The players stand around the pin, minimum 2 steps away. The players must work together to throw the soft object and hit the pin! The game starts when the timer starts!
3. The Guard is protecting the pin for as long as they can, blocking the players attempts to hit the pin.
4. The players can pass the soft object to each other around the Guard, trying to get the Guard out of position and create a clear shot at the pin.
5. When the pin is hit, the timer must be stopped immediately! Swap the Guard each time the pin is hit and players remember their time. The player with the lowest time after everyone has been the Guard is the winner!

GAME BOOSTS

Increase or decrease: size of the pin, distance from the pin, size/weight of the soft object!
