	Prayers and Apologies for Absence	
	Al welcomed everyone to the meeting and TB presented a prayer for guidance.	
1-14/7/2021	(1a) Declarations of interest in any items on this Agenda:	
	None	
2-14/7/21	Amendments and acceptance of Minutes:	
(2-A)	Minutes of the meeting 27th May 2021 - These were circulated prior to the meeting.	
	They were accepted and proposed as a true record by LB and seconded by TP. There	
	were no amendments. The confidential minutes regarding staffing were accepted and	
	proposed as a true record by AI and seconded by TP.	
(2-B)	Matters Arising not on the Agenda:	LB
	A thankyou card was circulated for governors to sign before a bunch of flowers and	
	letter from the governors was delivered to SB who retired.	
(2-C)	Action List: This was forwarded prior to the meeting.	AI
	8-4/12/20 – Online Safety Training – AI is to contact and see if anyone would be	
	available to deliver, sometime after June 21 st . Either for summer term 2 or Autumn	
	term 1. School have also been contacted by Linda Ricketts re the NSPCC course	ТВ
	delivery, which will be on 1st/2nd July. Assemblies and workshops are available to	
	help with staff delivering the programme.	
	2c-27/1/21 – Meeting re Action Plan for EYFS area – This has not taken place, but	
	plans are moving ahead with the development of the lower playground into a Quiet	
	Garden area. The design, planning and delivery stages are in unison with class 2. Also	
	ideas are being put together with the help from Lucy Annat for the mural which will	
	run along the back wall of the small playground. Once these are completed the area	
	will look a lot different and reflect the Ethos of the school.	TB/JF
	9-4/12/20 – Disaster Recovery Plan – This document is in the process of being	
	completed, but due to the GDPR policies being issued to school for completion in	
	unison with the SFVS whish was required for the 28 th May the DRP has had to be	
	deferred.	ТВ
	4c-27-1-21 – The Anxiety training that TB undertook plus the ELSA training have not	
	been cascaded yet due to time table issues and staff not being available.	JF
	2B-17/3/21 – LA Governor process – JF is to forward to governors	
	4B-17/3/21 – Home Learning Questionnaire – A short questionnaire was sent out to	
	the parents of children who remained at home during spring term 1. A full	
	complement (6) were returned and the results collated (copy on file). TB reported	
	that it had been difficult to engage one family who had made it very clear (written	
	evidence on file) from the start of the pandemic that they would not be engaging in	
	school activities and that they would follow their own curriculum when educating	
	from home. TB also added that it is hard to engage parents if they are unwilling to	
	work with the school regarding home learning. However the school continued to	
	support this family by applying for and issuing an additional laptop plus data from the	
	DfE. Paper packs of work were made available but not collected and if collected not	

	Hartington CE Primary School – Board of Governors	
	Hartington CE Primary School – Board of Governors completed. Information regarding the content of the learning platform continued to be sent out daily. Contact was maintained with this family but due to the lack of engagement with school work in any format TB proposed that she would undertake a home school visit, whilst maintaining government guidelines. This family then began, towards the end of the lock down, to access a few generic platform activities and individual lessons. At present this family hasn't attended parent consultations due to another commitment, so an additional date is to be arranged. This is planned for the final term and will include discussions regarding progress and attainment both academically and emotionally since their return to school following this period of absence from school. Another family that remained at home had paper packs delivered every Tuesday by JF when she also collected completed work. They accessed the platform for interactive work and catch up meeting with other pupils and class teacher. One child returned to school slightly earlier due to Health issues following a consultation with parents. The twice yearly whole school parent questionnaire has also been sent out for completion, prior to the parent consultations. Approximately 70%, have been returned. A further reminder will be sent to parents and if no more replies are received by 18 th June then the current questionnaires will be analysed and results cascaded to governors and parents. Parent Governors are to speak to parents, while waiting to collect the children in the evenings after school, regarding their interaction with school and completion of paperwork to promote a stronger working relationship between parents and the governing body of the school. The completion of 'Parent View' prior to Ofsted was also discussed and JF is to send out a reminder to parents asking them to go on and complete. TP asked if the PTA was still operational. TB & Al both replied that they had been informed by the Chair of PTA that	JF AI & KW JF JF
	be in a position to re-run for office. JF stated that due to Covid, meetings or fund raising hadn't taken place but the school has not requested any funding 4B- 17-3-21 – Monkey Survey – It was felt that these were not GDPR safe. KW is to send the link to another system that the health service use (and is felt secure) as a possible source to create your own questionnaires. 8-17/3/21 – Question re SIAMS report from LB/DH training – Due to time constraints this action has been removed.	KW
	It was agreed that the next two agenda items would be discussed at the end of the meeting.	
3-27/5/2021	Head Teachers report – Verbal	
4-27/5/2021	Finance/Budget year 2021/22	
5-27/5/2021	Curriculum	
(5-A)	Numeracy, Literacy and EYFS reports (Copies on file) These were circulated prior to the meeting to inform governors of the progress being achieved on the partial curriculum that is being taught since the return from lock down. No questions were raised. TB reported that one of the key focus in 2021/22 academic year will be numeracy, based on whole school assessment of pupil progress and attainment. She felt that reading (due to Accelerated Reader) and writing were doing well. Y5/6 pupils undertook mock SAT's tests following their request and all pupils achieved expected or above expected levels in reading, SPAG and numeracy.

9-27/5/2021	SIAMS Following SIAMS training undertaken by TB, MT & JF it is thought that the school will be inspected sometime during the autumn term after the 21 st September 2021 due to only being 'Satisfactory' at the last inspection. Inspections are usually on a 3/5 -year cycle dependent on the grade the school achieves. The school will be inspected through its Christian Values and Vision and how they drive the school forward in all aspects of school life. All stakeholders (Parents, Children, Staff and Governors) should be able to evidence how they know the school and it's Vision. The Christian Distinctiveness should be evident throughout the school, policies, web site etc. They will look at how we choose the charities we support and if they reflect the vision and ethos, also if the children know why we support the chosen charities. The inspectors will look at RE and Collective Worship and how they are integrated into school life and the curriculum throughout the school of the time scale of the inspection, the inspector and make a request for the documentation required etc. The final grade will be confirmed by an independent panel in London before being issued. This is different to previous inspection might also be in autumn 2021 but more likely to be spring 2022 as the school has a grading of good. The SIAMS inspectors will speak to pupils without staff being present and the answers pupils give can be very much dependent on how the inspectors asks the questions and relates to them. Governors need to understand the Vision Statement and how the school makes links with the Bible into the local community/country and word events, through the curriculum, charities and projects chosen to complete and ultimately how we make the Vision come alive.

Finance/Budget year 2021/22	
Flexi Learning TB reported that she had spoken to the head teacher at Castleton regarding Flexi learning and she had said that although it had boosted her attendance figures and saved her school she wouldn't recommend it. She felt that it was mainly due to the location of the school and that Hartington was not ideally placed as we were so close to the Staffordshire border where Hollinsclough Primary School is located, who also undertake flexi learning. The head teacher also stated that she found flexi learning pupils at time destabilised the structure of the school day and had a profound impact on attendance figures. Al felt that parents had also had a reality check since having to home school during the pandemic and that more parents are continuing to working from home, so would find it difficult to support their child's education. Through discussions with parents of full time pupils in schools where flexi learning takes place, It was commented on by them that it was more difficult to engage these parents in other aspects of school life ie: fundraising, external events etc. In the past it had been suggested that we should target the new houses being built in Harpur Hill at Buxton, as the schools around there are already oversubscribed. School newsletters were taken to the show rooms for estate agents to distribute. The school supplying transport may be an option and the logistics (cost, demand, travel time etc)	?
 'Life Wise' This is a PSHE programme that the school is looking into purchasing at a cost of £1699 for the period of six years, paid in two instalments. The programme has lesson plans to support the teaching of the PSHE curriculum plus the delivery of the sex education. Governors were happy to approve the purchasing of the programme in theory but wanted the school to do a little more investigating into the company. Therefore, JF is to check them out on 'Company House'. If everything checks out governors gave their permission to proceed with the purchasing of 'Life Wise'. AI proposed and JD approved. LB said that we could probably support the cost from the SSPF funding. JF is to look into how much is left. It was also queried as to if the PTA could help with the cost. JF didn't see why not and PTA members would need to be asked for their approval. 6:30 LB left the meeting due to a conference call. 	JF
Staffing – A copy of the confidential minutes are available in school for Governors to read. A Finance meeting was arranged for Wednesday 9th June to discuss the budget further when all staffing will be reviewed.
