

School Council Meeting

19-1-2017

- New outdoor playground rota set up.
- Children would like Equipment boxes for different days of the week to be taken out during break time on allotted days.
- A list of equipment in each box, for each day to be produced.
- One day a week – playground art in an equipment box.
- Whoever takes equipment out is responsible for returning it back to its place in school.
- Playground buddies – How often? How many? How should they be identified?
- Zone Playground?
- Possible new equipment - Basketball hoop for fence, Ball target, Chalk boards.

- New indoor break rota of activities set up.

- New collective worship rota set up for junior children.
Children divided into three groups with a leader. It is their job to provide music to enter and leave collective worship. Choose the prayer/poem/ light and blow out the candles.
- A gas lighter was suggested for lighting the candles to avoid matches being used in school.
