## Match Reports --September – December 2016

### **28.9.16 Hockey-Yrs 5&6**

**Osmaston**- 1-0 goal scored by Sam from a deflected shot from Josh. Jacob was captain. **Biggin** 0-0- dominated play. Josh Captain. Winnie played in defence and said “it wasn’t as hard as she thought it would be”. This was her first competition for the school in hockey and grew in confidence with the support from the other children. **Parkside** 0-0 Ellie was captain- had the run of play but unfortunately had Josh’s goal disallowed as his foot was outside the D. Brailsford 0-1 Jacob Captain- Winnie played again- Josh scored 5 secs after full time whistle. Niamh kindly played for Biggin when one of their players had to go early an excellent example of sportsman like behaviour. Ruby got star player for covering and sweeping defence and reading the game so well. Excellent coaching from parent Mrs Debes really focused the team and helped them achieve their best match play

### Multiskills -12-10-16- Yrs 1&2

There were 10 different skill sections to try including throwing high into a basketball ring, throwing beanbags at a target, throwing a foam javelin forwards, bouncing a ball around a course, dribbling a ball around a course, balancing along a beam, jumping and forward rolls over a pommel horse.

Every team member had a go at every activity with enthusiasm and increasing skill.

### Rounders- Yrs 1&2 7.11.16

They played three games of rounders against three other schools, concentrating on the hitting of the ball with a tennis racket and the fielding. Children were only out if the ball was caught after they hit it. They couldn’t be stumped out. The children demonstrated improved hand eye co-ordination when striking the ball and good mobility and spatial awareness when running around the posts. As the game progressed they developed an understanding of how to field quickly and get the ball to the bowler.

### Sports Plus – Whole School- 8.12.16

Only 2 other schools entered this event but this did not detract from the fantastic experience that every child had. The activities- seated Volleyball; Boccia; Goal Ball. The children were placed into mixed teams with children from the other schools, it was inspiring to see how the leaders from QEGS supported the children as well as our more able children helping others. A very worthwhile event.
