

Derbyshire County Council Schools Debit Card Policy and Declaration

Derbyshire County Council will make debit cards available for School Imprest Accounts to staff who are signatories for the School for which they work. This policy is intended to provide detailed guidance and assistance in obtaining and using debit cards and describes the responsibilities and restrictions which cardholders **must** accept before being provided with any such card.

Any attempt by the cardholder to make changes to the Councils terms and conditions of the card or the associated bank account will be reported to the Council by the Bank and may be treated as a disciplinary offence.

Obtaining Cards

- 1) A debit card is only issued for use in conjunction with Imprest Accounts. All cards are issued for the sole purpose of facilitating the carrying out of School business that would ordinarily fall within the approved use of imprests.
- 2) Debit cards are only available to signatories of Imprest bank accounts. Up to a maximum of three cards can be issued against each bank account, unless the approval of further cards has been agreed with the Director of Finance & ICT.
- 3) Debit cards will be provided by Derbyshire County Council's bankers who are Lloyds Bank Plc.
- 4) Debit cards must only be used by the authorised signatory named on the card and must not be used by any other person. Any cardholder allowing the card to be used by another person will be committing a disciplinary offence.
- 5) Staff will be required to sign a declaration confirming they understand the policies and procedures for use of a debit card before an application can be approved (This is attached and headed – Derbyshire County Council Schools Debit Card Declaration Form).
- 6) The card will be recorded as part of the employees HR data via the objects on loan facility. This will be monitored and administrated by the HR and Exchequer Compliance teams who will be alerted of leavers who hold debit cards.

Use of cards

Cards can be used for cash withdrawals; on-line and point of sales transactions in accordance with purchasing protocols, financial regulations and this policy document, within the pre-defined limits of the accounts. The following procedures cover these three transaction types and reconciliation requirements.

Cash withdrawals:

- 1) Cards can be used to withdraw cash from any ATM/branch counter; the withdrawal limit is **£40** per day unless other limits have been agreed in writing by the Director of Finance & ICT and is subject to cleared funds being available in the Imprest account.
- 2) Unless in an emergency situation, the withdrawing of cash from ATM's that charge for the transaction is not allowed. Any charges incurred will be deducted from the Imprest account.
- 3) A receipt must be obtained and be made available for inspection when required i.e. it should be held with all receipts pertaining to the Imprest account.

- 4) The cardholder must ensure that the correct amount of cash is received at the point of receipt and register any discrepancies with the bank/store immediately, or the following working day if out of normal business hours. The Head Teacher and departmental finance team should also be informed.
- 5) Any cash balances from withdrawals will need to be returned to the cardholder's base as soon as operationally possible with receipts to account for any expenditure. An officer independent to the withdrawal transaction should count the cash, record and sign in the petty cash records and ensure it is securely entered into the cash box/safe etc.

On-line and point of sales transactions:

- 1) Wherever possible the Order point system should be used to place orders for goods and services. However, it is recognised that this may not always be the most efficient and value for money option in relation to low value spend and so the use of debit cards is permitted but must only be used to acquire goods and services for approved School business.
- 2) A receipt must be obtained and be made available for inspection when required i.e. it should be held with all receipts pertaining to the Imprest account. If any purchase contains any charges for VAT a proper VAT receipt or invoice should be obtained.
- 3) Transactions and supporting documents (such as receipts) must be kept for a period of six years plus the current financial year by the relevant department for audit and HMRC purposes.
- 4) Payments made via debit card are limited to the cleared funds available in the Imprest account.

Use of Debit Cards Overseas

Debit cards may be used from the United Kingdom for overseas payments with any associated transaction costs recharged back to the Schools budget.

Only with the prior approval of Corporate Finance is the use of debit cards whilst being overseas permitted. The bank will be informed to authorise the use of the card for foreign transactions. Cards must only be used by the person named on the card. If it is essential that a new card is issued for use overseas then a charge to cover transaction and administrative costs will be made against the School budget. A full account and transaction statement providing a breakdown of the cost of each trip/visit and what has been incurred against Imprest must be recorded and retained for inspection.

Reconciliation and inspection:

- 1) All debit card transactions will appear on the Imprest account's bank statement, the receipts/invoices obtained must be reconciled to the statement, on a monthly basis as a minimum.
- 2) All receipts and the reconciliation schedule must be checked and authorised by a designated person and countersigned by the Head Teacher or their representative. A segregation of duties by a minimum of two persons must be maintained at all times.
- 3) A bank statement will be sent to the School on a monthly basis and designated persons may have the option to access Lloyd's on-line banking facility to enable viewing of Imprest account statements.

Restrictions

- 1) Debit cards must not be used for any non-School business or personal expenses.
