

School Council Election

Cast Your Votes!

On Wednesday 11th November 2020, Hartington C of E Primary School held a School Council Election. Two members of Class 2 ran for Chair, and all four members of Class 2 ran for Secretary.

Each member of Class 2 prepared and read out their Manifestos to the rest of the school. All pupils and staff then voted anonymously for their chosen candidate. They had 2 ballot papers; one for Chair and one for Secretary. They drew a cross in the box that was next to the person's name they wanted to vote for. Votes were counted and the new School Council leaders were announced; CR won Chair and WW won Secretary. Some School Council members were disappointed, but SW said, "I will try again next year!"

All those who made their speeches were extremely brave and read out their Manifestos clearly and professionally.

We have a great School Council team that will support each other throughout the year.
