

PRESENTS

MEGA ACTIV

KEEPING EVERYONE ACTIVE
LOCKDOWN 3.0

MEGA ACTIV will provide fun daily activities that children, parents and teachers, can do together at home, or in school, to keep active!

These activities require minimal equipment and space, and can be done indoors or outdoors. Each activity has GAME BOOSTS that can be applied to make them easier or harder.

A new activity will be posted each week day on the *Primary Stars Facebook & Instagram pages*, whilst schools remain closed!
