CREEPY CRAWLIES

www.primarystars.co.uk

Players - Any number!
Equipment - Lots of small objects!
Space - Anywhere, any size!

1. Establish a playing area, with 2 clear ends and players stand next to each other at one end with their own base. Players need 5 objects opposite them at the other end.
2. Each round, the players must collect one of their 5 objects, and bring it back to their base. Once the object is in their base, then they can collect another.
3. However, the players will only be allowed to move like certain Creepy Crawlies each round when collecting!
4. Round 1: Spiders = Crawling; Round 2: Slug = Slide on your front; Round 3: Grasshopper = Frog Jump; Round 4: Caterpillar = Wriggle.
5. The player in each round to get all the objects back to their base first wins!
