MEGA ACTIV PLAY-STATION

www.primarystars.co.uk

Players - Any number!
Equipment - A controller e.g. TV remote, video game controller!

Space - Anywhere, any size!

1. Establish a playing area & players (Avatars) stand spread out inside the area. 1 Player (Gamer) is in charge of the Avatars. The Avatars must listen for commands & obey the buttons the Gamer selects!
2. The Avatars must move around the area and perform the correct actions following the Gamer's commands:
 - 'Accelerate' - run faster
 - 'Rewind' - move backwards
 - 'Rest' - lie on the floor
 - 'Look out' - duck down
 - 'Stealth mode' - crawl low to the ground
 - 'Slow motion' - move in slow motion
3. When the Gamer presses and shouts 'Pause', the Avatars must quickly stand straight and not move. First to do so, wins 1 point! First Avatar to 3 points is the winner!

GAME BOOSTS

Can you think of any new buttons/commands?
Add your own gaming commands and actions!

Change the Gamer each round!

Increase or Decrease: size of the area/points needed!

Turn the pause into a position the Gamer chooses!
