

Pupil Premium Strategy Statement:

Hartington C of E Primary School 2017/2018

1. Summary Information				
School: Hartington C of E Primary School (8303041)				
Academic Year: 2017-2018	Total PP budget: £5,741	Number of pupils eligible for PP: 4	Date of most recent PP Review: September 2017	Date for next PP strategy review: August 2018

2. Current Attainment information cannot be published because it relates to four pupils and would therefore be identifiable. This information is held confidentially in school.

Both statutory assessments and our internal assessments show disadvantaged children making good attainment and progress. This information is part of our self-evaluation but because of our small cohorts and given the inevitable variability of progress it is only part of our monitoring process. We focus on individual disadvantaged children, and at present these children are found to be making at least as good progress as non-disadvantaged children with similar starting points. This is monitored through the schools tracking system.

3. Barriers to future attainment (for pupils eligible for PP)

In-school barriers (<i>issues to be addressed in school</i>)	
A.	Some disadvantaged premium children have low prior attainment, in some cases resulting from gaps in schooling
B.	Specific additional needs including those being supported as SEN
C.	Weaknesses in learning behaviours, e.g. lack of independence or resilience.
D.	Social, emotional and behavioural problems affecting wellbeing and progress
External barriers (<i>issues which also require action outside school</i>)	
E.	None identified at present but this is constantly reviewed

4. Outcomes (<i>desired outcomes and how they will be measured</i>)		Success Criteria
A.	At least good progress / attainment.	All disadvantaged children, whatever their prior attainment, make at least expected progress, with some of those whose attainment is below age related expectations starting to catch up and close the gap with their cohort.
B.	Additional needs are supported effectively	Children with additional needs are supported effectively through the school's SEND practice, with recognition of and support for any additional factors that children in receipt of Pupil Premium funding face. Additional funding / advice / support where possible is applied for or sought.

C.	Improved learning behaviours	Improvements in the learning behaviours demonstrated by targeted pupil premium children are evident through pupil interviews and reports from class teachers, SENTA's, parents, carers and facilitators from outside agencies.
D.	Good progress in PSED.	Improvements in the overcoming barriers for specific children including reduced incidence of behavioural problems, increased participation in class, reduction in friendship/ social issues, increased social integration. This will be further supported by our achievement of the Healthy School Community Award and taking part in the Anti-Bullying Week 'All different all equal'.

5. Planned Expenditure: academic year 2017/2018: £5741

The headings below outline how pupil premium funding is being used to improve classroom pedagogy for all pupils and to provide targeted support for whole school strategies. Where possible targeted support for pupils is outlined but where this would identify an individual pupil/s this information is held in school rather than being published.

Multiple barriers faced by some PP children have a cumulative effect on progress and wellbeing but benefit from working within targeted groups including whole school ensuring full inclusion in all areas of the curriculum. This also supports empathy between disadvantaged children and their peers.	Track progress of these children through the schools assessment and tracking system which is linked to age expected expectations. Provision of Gold Package - £750	Head, Teaching staff (SLT)	Termly
