

Ask an adult

is game is safe to play

online, you can ask

family members or a person
you trust.

You should never put a picture
on the Internet without
permission from the person
on the photo.

Be kind online.

Don't send unkind messages
to other people and if someone
sends you one you must tell
an adult.

Who are real friends?

Not everyone is your friend
on the Internet. Our friends
on the Internet are

people that we know and have

met before at school or at
home. If someone wants
to be my friend. I don't
know, say no and tell an
adult.

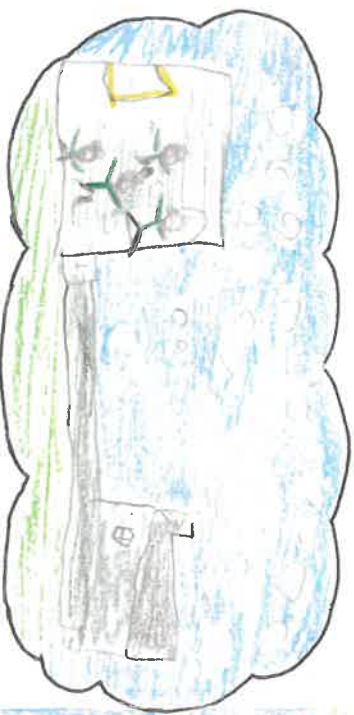

We should not tell

people we don't know

Where we live, what

school you go to and full

name.

Keeping safe on the
Internet.
