

# Evidencing the impact of the Primary PE and sport premium

Website Reporting Tool
Revised July 2021

# Commissioned by

Department for Education

# Created by

It is important that your grant is used effectively and based on school need. The <u>Education Inspection Framework</u> makes clear there will be a focus on 'whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school'.

Under the <u>Quality of Education</u> Ofsted inspectors consider:

Intent - Curriculum design, coverage and appropriateness

Implementation - Curriculum delivery, Teaching (pedagogy) and Assessment

Impact - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit
  pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school's budget should fund these.

 $Please visit \underline{gov.uk} for the revised Df Eguidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. Df Een courages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium. \\$ 

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to <u>publish details</u> of how they spend this funding, including any <u>under-spend from</u> 2019/2020, as well as on the impact it has on pupils' PE and sport participation and attainment. **All funding must be spent by 31st July 2022.** 

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2022. To see an example of how to complete the table please click <u>HERE</u>.

Created by:

### **Details with regard to funding** Please complete the table below.

Total amount carried over from 2019/20	£ 2,000
Total amount allocated for 2020/21	£ 16,000
How much (if any) do you intend to carry over from this total fund into 2021/22?	£ 2,500
Total amount allocated for 2021/22	£ 14,000
Total amount of funding for 2021/22 to be spent and reported on by 31st July 2022.	£ 14,000
Total amount carried over from 2021/22	£ 2,000
Total amount allocated for 2022/2023	£ 15,000
Total amount of funding for 2022/2023 to be spent and reported on by 31st July 2023	£17,000 (No carry Forward for 2023/2024)

### **Swimming Data**

Please report on your Swimming Data below.

Meeting national curriculum requirements for swimming and water safety.	
N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts.  Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?  N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2022.	Please note the school only had 1 year 6 pupil who did not meet statutory requirements of swimming 25 metres unaided.
Please see note above	Pupil passed the water safety self-rescue techniques.

What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? Please see note above	% 100
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	% 100
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	No

# **Action Plan and Budget Tracking**

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 2022/23	Total fund allocated:	Date Updated:	27-7-23

What has changed?:	Sustainability and suggested next steps:
Playground Buddy structure and process continued and refined to allow the pupils to design and lead the activities during daily play, as part of the RDSSP affiliation and cascade knowledge to younger pupils to continue due to enhanced leadership programme for upper key stage 2 pupils not undertaken due to pupil numbers.	Playground Buddies given status and support to continue to develop and design a weekly daily programme of activities. Whole school council meetings allowed for engaged interaction to build on the pupils' proposals. Lunch time club provided by Primary Stars with a focus on leadership and the introduction of new games and development of the PE provision.	£1 000 Willow	The pupils have demonstrated continued improved listening and key language skills as well as an understanding of the need to share space and equipment. Respect for each other and equipment is reflected in the organisation of the session and linked to the PSHE, Christian and British Values Programmes.	Enhanced leadership programme for all key stage 2 pupils has been delivered through the Primary Stars Company but will continue next academic year and will include wellbeing.
outcomes of the YST/AAA project into the	A differentiated programme of activities continues to be developed by pupils and staff. This incorporated community, national and international focuses and the inclusion of an orienteering course sited in the school and local Youth Hostel grounds.		Through the work undertaken within the school a significant degree of progress in their physical, mental, social and emotional well-being continues to take place. This was demonstrated in the pupils working	To continue to sustain the outcomes of the initial projects and develop these further re-establishing links with other local and inner city schools through the teaching of traditional sports such as maypole dancing, orienteering etc. The re-

affiliation with new partner-Primary Stars.

Links have also been made to planned to visits to outdoor pursuit facilities -Lea Green and Whitehall

A review of the previous provision of PF and to use data collected from staff, pupils and parents and then transfer key principals int the PE curriculum which will be enhanced. through more focused work with new partner -primary Stars and through continued access to HYPAC (Young persons activity group) Children from age 5 have access to this club

In addition to the RDSSP affiliation the school has continued and developed its affiliation to the Primary Stars Company to ensure the taking part of competition with other small school of a similar size. The continuation of the online resources to support 30 minute daily physical activity. This now includes regular yoga sessions to support relaxation and the promotion of positive mental health and well-being for the Early Years and Key stage 1 pupils. Pupils attending the school from age 5 years upwards will also be eligible to access a wider PE curriculum via attending HYPAC. Links are made to the programme regarding Lea Green and Whitehall experiences, Willow Weaving etc.

To re-audit the equipment and playground space and storage to ensure the school has the capacity to manage a more enhanced programme which also incorporates the use equipment to ensure a full PE curriculum of the new playground markings.

Primary Stars Facilitator to undertake an additional audit of equipment and space. To purchase appropriate additional can be delivered to all pupils and access to equipment via the Primary Stars company to support and enhance the PE Curriculum. Equipment purchased is to include enhancement of programme of activities delivered by 'Playground Buddies. The development of the Early Years Outdoor provision has been deferred until the next academic year due to outside work taking place on the school which has continued throughout the year.

effectively with members of the community whilst raising awareness of key charities and how links can be made, and also with other local schools

To ensure all pupils at school had access to programmes which would support their mental and physical wellbeing. The inclusion of the willow weaving programme promoted opportunities for leadership. communication and language development while being active with other pupils and where possible active curricular links and new schemes. across ages partners.

application to the Ambassador Award and the affiliation with the Diocese and National Park Ranger Service. (Re-launch of the Village Trail).

To re-audit the provision of PE regarding accessibility to additional sports such as karate, Tai Chi and consider further developmental activities to promote mental health and well-being, the Quiet Garden. willow weaving, development of the outside curriculum through cross-

The pupils have demonstrated improved listening and communication development of the early years skills culminating in improved application of team work and respect of each other and the equipment. Improved fundamental skill performance of all pupils. Pupils have been identified as exceptional in specific areas within the curriculum and referred to outside sporting clubs to help develop skills.

As above but to also include the provision outside to ensure activity takes place throughout their curriculum. To develop partnership with the community – and make links to the outdoor development at the Youth Hostel. (Pond dipping etc – love of fishing).

**Key indicator 2:** The profile of PESSPA being raised across the school as a tool for whole school improvement

Percentage of total allocation:

Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?	Sustainability and suggested next steps:
The continued tracking, monitoring and assessment of pupil progress is to continue being rigorous to allow for pupil conferencing and 'personal best'. Planned learning walks to be undertaken by PE Co-Ordinator and outcome/observations reported back to governor for PE.	completed by class teachers then next steps identified. Transfer of assessment has been made to Primary Stars Company	£1,000	The improved pupil performance allows for the application of skills to resolve problems, challenges whilst working individually or as part of a team. The assessment and monitoring of PE, pupils progress and attainment is effective and relevant. Raised pupil attainment within units of the curriculum. Progress is being tracked more effectively by class teachers. On site CPD for staff delivered through the partnership with Primary Stars.	Continue to utilize the assessment tool linked to the Real PE and the specialist advice and support provided through the purchased package until the contract is to be renewed then transfer to new system being created. To access expertise of Primary Stars Practitioner who has PE responsibility with TB and MT to ensure provision is secure and enrichment opportunities catered for. To devise and create a healthy life style and well-being programme making links to PSHE and Science curriculums.
A continued wider range of planned sessions (including Virtual CPD) and activities delivered through direct teaching methods and opportunities for pupils to be active participants to incorporate the different learning styles across the curriculum will ensure that all children are engaged, challenged, developing individual understanding to set personal targets.	Different styles when delivering the sessions were used to ensure that all pupils could participate, develop knowledge, skills and confidence to challenge themselves, but to also support those children who were less confident. Team teaching by school practitioners has continued to help promote confidence and exploit subject knowledge and personal expertise within specific skills being taught. Communication, language, negotiation and listening skills of pupils were noticeably improved.		An individualized approach and a more personal curriculum has continued to be delivered. The utilization of videos and pupil demonstrations have been incorporated more effectively into the teaching to help support SEND and Early Years pupils who can access the demonstrations more frequently. Virtual and face to face training continues to be accessed and is available on request which has continued to promote confidence and knowledge within non-specialist staff.	CPD for PE practitioners regarding the delivery of the revised programmes which is to include mentoring by Primary Stars Practitioner. The continued development of the PE curriculum will also be addressed under the guidance of this teacher to support the forging of new links to schools and subject content and include inte and intra competition. The writing of an updated policy and impact statement for the website. (Include parental engagement where possible.

importance of the development of this life skill.  To provide the opportunity for the upper key stage 2 and extend to lower key stage 2 children to devise, develop and deliver a PE session with warm up, lesson and cool down targeting a sport specific key skill whilst promoting fundamental values eg:	techniques involved when locating an injured person or locate someone who is not breathing. Information was cascaded to parents and the senior leadership team within the school.  Pupils were provided with access to resources including skill cards, lesson progression cards and the opportunity to discuss their ideas of the lesson content to an adult. The sessions were scheduled to be filmed then analysed		safety with greater knowledge and confidence. All pupils have a raised awareness and confidence in the rudiments of first aid.  The analysis of the content of the lesson demonstrated the engagement of all the pupils. It highlighted the impact on those pupils whose learning style required a practical based and kinaesthetic approach. It also enabled a fluid dialogue between pupils being	whole school swimming programme and the consolidation and extension of the first aid programme. Links to be made to the PSHE Curriculum.  Through continuing and extension work from the Active Maths Programme we will introduce a STEM Programme through the use of LEGO / robotics which will be delivered by a specialist facilitator. (Deferred from previous year). This
teamwork, problem solving, communication etc.	to promote the young leader performance.		taught, the young leader, the teacher ideas and methods of how to support the individuals who found the rigours of the programme more challenging with some of the concepts and tasks. The young leaders found the analysis and peer input beneficial. The success of the delivery was demonstrated through teamwork, the use of appropriate language and positive outcomes to the problem-solving activities and tasks.	programme will work towards developing hand eye co-ordination, team work, language skills and problem-solving techniques and strategies- this will be incorporated into intra and inter school challenges.
Key indicator 5: Increased participation in competitive sport		Percentage of total allocation: %		
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?	Sustainability and suggested next steps:

From September 2022 building on from the PE coordinator using the Real PE package work undertaken during the previous summer term with an emphasis on intra challenges and competitions which the provision has continued to explore ways of incorporating progressive individual skill challenges through the Real PE package and Whitehall, Participation in the Primary Stars Package. Cross curricular links orienteering courses in school and at the have also been made with the Ambassador Youth Hostel. Taking part in the Three Award, Youth Trust through the community Dale Sports Day event with cluster projects. HYPAC and cluster school events which also include Lea Green and Whitehall events and festivals. A high proportion of Outdoor Pursuit Centres.

which included additional support from RDDSP to promote the children's skill development in preparation for the sport specific challenges, competitions, festivals and residential visits to Lea Green and schools. Participation in cluster school children from school accessing HYPAC after school thereby accessing different sports and working with young people from other local schools to promote teamwork and competitive scenarios to engage in.

All inter competition opportunities have been Progress has been made within the fully re-introduced throughout the year. The focus which was on intra competition, both individual personal best, and cooperative in small teams, is to continue but also take place throughout the curriculum and off site residential visits.

development of intra competition curriculum opportunities. Specifically, in the planning and re-designing of the spaces to be used with cones. Also the purchase of additional equipment (orienteering courses which has included CPD for staff) and storage to enhance the delivery of the PE curriculum and break time activities. This has supported an environment where pupils are actively taking leadership roles cascading previously taught skills to others.

Pupils have had support to understand how to set targets to progress their skills and meet new challenges - Personal Best. Within small team games pupils,

f2.000

Skill development in specific sport allowed the children to be more confident and understand how to work within a team context. Leadership opportunities arose within intra competitions. Staff monitoring and assessment of pupils 'Personal Best' performances reflected significant development of resilience, problem solving and empathy. Stronger links forged with smaller cluster schools to promote leadership and teamwork withinlif possible to make links to the competition.

To continue to be actively involved in the development of the new small primary schools' covey to promote competition within schools of a similar size. Will plan and deliver skill based learning with the other schools utilising on individual staff member's skills and expertise within the PE curriculum whilst making links to planned festival competition with the recording of results and certificates. swimming programme to help raise standards.

To continue to develop links for interand intra completion to take place and to consider additional opportunities for events to take place through Whitehall and Lea Green. The introduction of specific sports events such as street dancing for one day events in unison with other cluster schools.

Recognition of achievements were made | As the school's role of being an in Celebration assemblies, notice boards, Ambassador School for the National website, parent newsletters, governor reports and parish magazines. This has also been noted in the cross curricular links made to other subjects for dancing, development of the Village example active maths and geography through the orienteering courses for the whole school.

Increased fitness level for all pupils due to the continuation of the virtual programmes which are integrated throughout the school day.

Through the opportunity to take part in competition a development of children's confidence, leadership and language and

Park, to devise and deliver programmes to be delivered to other schools, e.g. orienteering, maypole Trail.

Continuation of the willow tree project and development of the outside area is to resume to help promote positive mental health and well-being once the outside school work has been completed and scaffolding removed.
